Mr. Alwyn Grindland,  
Fourth Lake,  
Old Forge, N.Y.

Dear Sir:

Our Society no longer publishes the American Journal of Numismatics but instead issues a series of Numismatic Notes and Monographs which go to members of the Society.

If you would care to join this organization, I would be very glad to propose your name. The dues are \$5.00 a year.

There is also the American Numismatic Association, which publishes The Numismatist each month. The dues, which include subscription to this, are \$3.00 a year. An application blank for this Society is herewith enclosed.

Yours very truly,

Curator
